

Checklist

Check out some spots to find your perfect practice spot. Of course you can use my checklist for this. Examine the setting - maybe you can optimize some things?

Sofa or armchair in your living room

- **is it comfortable?**
- **can I hold my guitar properly?**
- **what could disturb me?**
- **what could bar the way to progress?**
- **is it too loud?**
- **is the sound/acoustic okay?**
- **is your guitar always close by?**
- **is the light alright?**

Kitchen chair

- **is it comfortable?**
- **can I hold my guitar properly?**
- **what could disturb me?**
- **what could bar the way to progress?**
- **is it too loud?**
- **is the sound/acoustic okay?**
- **is your guitar always close by?**
- **is the light alright?**

Hobby room

- **is it comfortable?**
- **can I hold my guitar properly?**
- **what could disturb me?**
- **what could bar the way to progress?**
- **is it too loud?**
- **is the sound/acoustic okay?**
- **is your guitar always close by?**
- **is the light alright?**
